Prize	Awarded for
200-Level Environment Prize	for proficiency in the unit ENV267 Resource and Environmental Management: Issues and Solutions
300-Level Environmental Science Prize	for proficiency in Environmental Science
300-level Human Geography Prize	for proficiency in 300-level Human Geography units
Alan McIntosh Analysis Prize	for proficiency in 200 and 300-level units in the area of analysis Mathematics
Alpha Geoscience Environmental Geophysics Prize	for proficiency in the unit GEOS315 Environmental and Groundwater Geophysics
Aon Benfield Natural Hazards Prize	for proficiency in the unit ENVE237 Natural Hazards
Applimex Prize	for proficiency in the unit CBMS880 Selected Topics in Biotechnology
Arthur Pryor Prize	for proficiency in the unit PHYS242 The Tradition of Science
Australian Federation of Graduate Women NSW Prize	for proficiency in at least 2 units at 200-level Biological Sciences
Australian Field Geology Club Prize	for proficiency in the unit BIOL382 Applied Palaeontology and Biogenic Sediments
Australian Institute of Physics (NSW) Prize	for best performance in the Physics Honours program
Australian Instrument Services Motic-Microscopy Award	for proficiency in the unit BIOL208 Animal Structure and Function
Australian Meteorological and Oceanographic Society (AMOS) Student Prize	for proficiency in the unit ENVE216 The Atmospheric Environment
Barry Scott Prize for Human Geography	for proficiency in 100-level Human Geography units
Beckman Coulter Prize in Biotechnology	for proficiency in the unit CBMS332 Protein Discovery and Analysis
Bill Cantwell Prize for Biological Sciences	for proficiency in the Biological Sciences honours program
Biomolecular Frontiers Research Masters in Biotechnology Prize	for overall best proficiency at 800 level in the Masters of Biotechnology programme
Biomolecular Frontiers Research Postgraduate Prize	for the best internationally peer-reviewed paper by a postgraduate student as first author accepted for publication
Biomolecular Frontiers Research Undergraduate Prize	for overall best proficiency at 300 level in the Biomolecular Science major
Biophysical Environments Prize	for proficiency in the unit ENVE117 Biophysical Environments
Chiropractic and Osteopathic College of Australasia Award	for academic proficiency in Pre-clinical Studies in the Master of Chiropractic program
Chiropractic Education of Australia Limited Prize	for academic proficiency in the units CHIR896 and CHIR897 Clinical Internships I and II
Chiropractic Student of Year Prize	for academic proficiency in the final year of the Master of Chiropractic program
Chiropractor's Association of Australia (NSW) Academic Excellence Award First Year Masters	for academic proficiency on completion of the first year of the Master of Chiropractic program
Chiropractor's Association of Australia (NSW) X-Ray Excellence Award	for academic proficiency in Radiological Studies in the Master of Chiropractic program
Clean Air Society Prize	for proficiency in the unit ENVE302 Applied Climatology

Crown Scientific Prize	for the most outstanding performance in 100-level units offered within certain Departments in the Faculty of Science (Biological Science, Chemistry & Biomolecular Sciences, Chiro, Earth & Planetary Sciences, Human Geo and Enviro Science)
CSR Environmental Prize	for outstanding performance in the final year of the Bachelor of Environmental Science, Bachelor of Environmental Management, Bachelor of Environment or in an Honours program in Environmental Science
Datacom Systems Prize for Engineering	for the highest overall grade point average after completion of semester five in a Bachelor of Engineering degree
DEEWR Outstanding Undergraduate Prize	for proficiency in the unit ISYS114, Introduction to Systems Design and Data Management
DEEWR Outstanding Undergraduate Prize	for proficiency in the unit ISYS254 Applications Modelling and Development
Dick Makinson Physics Prize	for proficiency in 200-level Physics units
Don McNeil Prize for Introductory Statistics	for proficiency in the unit STAT170 Introductory Statistics
Don McNeil Prize for Introductory Statistics (2nd semester)	for proficiency in the unit STAT170 Introductory Statistics
EMC Prize for Best Female Student in Engineering	for the highest overall grade in a Bachelor of Engineering degree by a female student
EMC Prize for Best Female Student in Engineering Semester 1	for the highest overall grade in Semester 1 in a Bachelor of Engineering Degree by a female student
EMC Prize for Best Female Student in Engineering Semester 2	for the highest overall grade in Semester 2 in a Bachelor of Engineering degree by a female student
EMC Prize for Best Student in Computer Engineering	for highest overall grade in a Bachelor of Engineering degree
EMC Prize for Best Student in Software Engineering	for highest overall grade in a Bachelor of Engineering degree
Environment Institute of Australia and New Zealand (EIANZ) Prize	for outstanding performance in an undergraduate or postgraduate environmental program
Fluorotechnics Prize	for outstanding performance in 300-level Biotechnology units
Foundation for Astronomy Prize	for proficiency in the unit ASTR170, Introductory Astronomy
Frederick Chong Mamatics Prize	for proficiency in 200-level and/or 300-level Mathematics units
Fugro Group of Companies Geophysics Prize	for proficiency in 300-level Geophysics units
Gary Stavrou Prize	for proficiency in the units CHIR875 Chiropractic Techniques 1, CHIR876 Chiropractic Techniques 2, CHIR883 Chiropractic Techniques 3 and CHIR884 Chiropractic Techniques 4
Geoff Humphreys Prize	for proficiency in the unit ENVE266 Earth Surface Processes
Geological Society of Australia (NSW Division Prize)	for best performance in 300-level Earth Science units in the areas of Geology, Geology and Geophysics or Palaeobiology
Geology Prize	for proficiency in the unit GEOS125 Earth Dynamics
Geometry Prize	for proficiency in the unit MATH300 Geometry and Topology
Global Environment Prize	for proficiency in the unit ENV118 Foundations for Resource and Environmental Management
GT Micropro Prize	for the most outstanding performance in 300-level units offered within certain Departments in the Faculty of Science (Biological Science, Chemistry & Biomolecular Sciences, Chiro, Earth & Planetary Sciences, Human Geo and Enviro Science)
Ho Kam-chiu Statistics Prize for Overall proficiency in 200-level Statistics	for proficiency at 200-level Statistics units

Ho Kam-chiu Statistics Prize for Overall proficiency in 300-level Statistics	for proficiency at 300-level Statistics units
J C Ward,FRS, Physics Prize	for excellence in 300-level Physics units
Jack Davies Prize	for academic proficiency in GEOS, ENVE or ENV units in Environmental Science
Jim Rose Prize for Honours in Human Geography	for the best thesis leading to the Honours degree in Human Geography
John Morris Scientific Prize	for the most outstanding performance in 200-level units offered within certain Departments in the Faculty of Science (Biological Science, Chemistry & Biomolecular Sciences, Chiro, Earth & Planetary Sciences, Human Geo and Enviro Science)
Julian Leslie Prize	overall excellence in 800 level Statistics or Macquarie Registered BCA units
KPMG Prize	for the highest achieving student in the unit ISYS104 Introduction to Business Information Systems
Le Fevre Memorial Prize for 200 Level Chemistry	for proficiency in 200-level Physical Chemistry units
Le Fevre Memorial Prize for Physical Chemistry	for proficiency in 100-level Physical Chemistry units
Life Technologies	for outstanding performance in a 300-level BIOL or CBMS unit
Macquarie Excellence in Environmental Studies Prize	Best performance in an undergraduate environmental program
Michael Bullock Memorial Prize for Operations Research	for proficiency at 300-level in the area of Operations Research
Michael Bullock Memorial Prize for Statistical Computing	for proficiency at 300-level in the area of Statistical Computing
Milthorpe Memorial Prize	for proficiency in a 300-level Plant Biology unit
Mollie Thomson Prize	for proficiency in two 100-level Biological Science units
Northparkes Mines Prize	for proficiency in the unit GEOS314 Magmas, Fluids and Ore Deposits
Australian Society for Parasitology Prize	for proficiency in the unit BIOL341, Parasitology
Paton Prize	for proficiency in the unit GEOS112 The Planet Earth
Peter Mason Prize	for proficiency in the unit PHYS143 Physics 1b
Petroleum Exploration Society of Australia Prize	for proficiency in the unit GEOS309 Liquid Fuels and Energy Security
Pierre Agnes Memorial Prize	for best student presentation or seminar on doctoral research thesis
Planning Institute Australia Prize	for proficiency in the Master of Environmental Planning
Preston Geology Prize	for best performance in 300-level geology units
Prospectors/Suunto Prize	for proficiency in the unit GEOS308 Structural and Metamorphic Geology
Ralph Faulkner Prize for Invertebrate Palaeontology	for proficiency in the unit BIOL381 Invertebrate Palaeontology
Risk Frontiers Prize	for proficiency in the unit ENVE214 Climate Change
Royal Australian Chemical Institute NSW Analytical Chemistry Prize	for proficiency in the unit CBMS308 Chemical Analysis II
Sigma-Aldrich Prize	for proficiency in the units CBMS223 & CBMS224 Biochemistry and Molecular Biology I and II
Unisys ACUS Prize	for proficiency in the unit COMP355 Information Technology Project
WH Beattie Steel Prize	for proficiency in the unit PHYS306 Optical Physics
